EXTREME

Metropolitan architecture, contemporary space to reflect the dynamics of daily life. An urban material that transforms itself into a new concept, bringing open space and light to a central constructive role. Here, to live manifests itself without modesty, where excess becomes the rule and the horizon becomes closer. We have entered the world of EXTREME.

Arquitetura metropolitana, espaço contemporâneo a ser vivido na sua dinâmica quotidiana.

A matéria urbana transforma-se num novo conceito reflectindo espaços amplos e iluminados no seu papel de centralidade construtiva. O habitat mostra-se aqui sem pudor, onde o excesso se torna regra e o horizonte se torna próximo... entramos no mundo EXTREME.

Architecture métropolitaine, espace contemporain pour être vécu dans sa dynamique quotidienne.

La matière urbaine se transforme en un nouveau concept reflétant d'amples espaces illuminés dans leur rôle de centralité constructive. L'habitat se montre ici sans pudeur, là où l'excès se transforme en règle et l'horizon se rapproche davantage... Nous entrons dans le monde EXTREME.
