Canova

brillante
mosa
classica

Canova è un progetto ceramico che risponde alle rinnovate richieste del mercato che vede nella "tendenza marmo" la possibilità concreta di tracciare nuovi orizzonti stilistici. Il marmo è il materiale che più riporta alla mente i fasti della classicità. Ed è proprio questo lo spirito che abbiamo voluto reinterpretare in chiave moderna con la nuova collezione in gres porcellanato effetto marmo.

Canova is the ceramic project to respond at the new demands of the market, that leads the "marble trend" to the concrete possibility of tracing new stylistic horizons. Marble is one of the materials that reminds us the glories of ancient classicism. Through this new collection, we wanted to reinterpret in a modern key the marble-effect porcelain stoneware.

Canova est un projet de céramique qui répond aux nouvelles exigences du marché et qui voit dans la "tendance du marbre" la possibilité concrète de tracer de nouveaux horizons stylistiques. Le marbre est un matériau qui rappelle au mieux aux gloires du classicisme. C'est précisément cet esprit que nous avons voulu réinterpréter de façon moderne en utilisant la nouvelle collection en grès cérame effet marbre.

Canova ist ein Keramikprojekt, das auf die erneuerten Anforderungen des Markts reagiert. Diese Serie sieht im "Marmortrend" die konkrete Möglichkeit, um neue stilistische Horizonte zu erschließen. Marmor ist das Material, das am meisten die Herrlichkeit des Klassizismus erinnert. Mit dieser neuer Kollektion wollten wir den Marmor in einem modernen Stil wieder interpretieren.
